Car cover and exclusions

We'll provide the following cover for any loss or damage to your car and/or its accessories (even in your garage) due to the causes below, up to the limit of cover shown in your policy limits table.

Ticks show what is covered, and crosses show what is not covered under each section.

- ✓ **Damage** - if your car and/or its accessories are damaged by accident or vandalism (even in your garage), we'll either:
 - pay for it to be repaired; or
 - replace what's damaged; or
 - pay the market value of your car if it's a total loss (and when we've agreed this with you, your car will become our property).

- ✓ **Damage caused by using wrong fuel** - if you've accidentally started your car after using the wrong fuel, we'll pay to fix the resulting damage to the engine and drain & flush the fuel tank. You'll just have to pay your excess. We'll agree with you how best to arrange repair - if you've already made arrangements we'll only consider payment if you provide us with receipts for the work.
- ✓ **Hit by an uninsured driver** - just let us know the driver/rider details, registration number, make, model and colour of the other vehicle involved. You won't lose your NCD or pay any excess if you're hit by an uninsured driver/rider when the accident isn't your fault - however, if we can't confirm immediately the uninsured driver was at fault, you might have to pay your excess but this will be paid back to you once this has been confirmed.
- ✓ **Vandalism** - first of all report it to the police as you'll need to give us the crime reference number. You'll still need to pay your excess but you won't lose your NCD.
- ✓ **Fire and theft**- if your car and/or its accessories (even in your garage) are lost or damaged by fire, lightning, explosion, theft or attempted theft, we'll either:
 - pay for it to be repaired; or
 - replace what's damaged; or
 - pay the market value of your car if it's a total loss (and when we've agreed this with you, your car will become our property)

 - the ignition device is left in, on or attached to your car or left in the immediate proximity of the car or in range of where the ignition device is effective.
- ✗ Damage to the ignition device caused by wear and tear.
- ✗ Wear and tear, your car losing value, or for any repairs that have made the condition of the car better than it was before the loss or damage happened.
